6th SSHOC Consortium meeting (Virtual)

5th-6th October 2021

using Zoom (hosted by LIBER)

WP sessions concept

This Consortium meeting will focus on the work in the pipeline, review comments and exploitation plan for the results. In general, the sessions should cover the following topics:

- 1) *General overview (interesting for general audience) - shorter*
 - Work in the pipeline until the end of the project (vision for Dec21?)
 - Challenges, pitfalls
- 2) *Coordinated discussion led by the leader*
 - Discussion about SSHOC Review comments - concrete plan to address them
 - Exploitation plans: main deliverables, outputs, tools, services (finalised, beta, in progress...) and plans for their exploitation - getting to the user.

Participation in sessions

- All partners are invited to join the entire meeting, according to their availability, and especially the plenary session on Day 1
- WP specific sessions:
 - Leading/moderating the meetings: Work Package Leaders (organisations listed above in the agenda table)
 - Participants of a WP session:
 - Task Leaders in the WP (presenting where requested by WP leader)
 - All partners involved in the WP (participating in discussions)
 - Any other partner interested in the WP
