

1 - Go to www.sshopencloud.eu

2 - Log in into your profile or create a new account if you don't have one yet

SSHOC Principal
Goals

SSHOC will create the social sciences and
science Cloud (EOSC) thereby facilitating
access to flexible, scalable research data and
related services streamlined to the precise
needs of the SSH community.

SSHOC will leverage
new infrastructure
to foster synergies across
expedite interdisciplinary
collaboration.
